How to Download Ready-to-Use Files (No Canva Needed)

If you don't want to customize a design, you can simply **download and use the ready-made versions on our website.**
These files already include the event details and are perfect for printing or sharing online.

To download a JPG image:

1. Click the button labeled **"Download JPG."**

2. The image will open in a new tab or start downloading automatically.

3. If it opens in a new tab, **right-click** the image and choose **"Save image as..."**

4. Choose where to save it on your computer (for example, *Desktop* or *Downloads*).

5. You can then share it on Facebook, Instagram, or by email.

To download a PDF file:

1. Click the button labeled **"Download PDF."**

2. Your browser will either open the PDF in a new tab or start a download automatically.

3. If it opens in a new tab, click the **download icon (down arrow)** near the top-right corner to save it.

4. To print, open the PDF on your computer and choose **File → Print**.

   o Select **Color** or **Black & White (Grayscale)** depending on your printer.
